Hello, Future Gators!

We are so excited to welcome you to Green Valley High School for the 2026-2027 school year! Please read the following letter for important information about selecting your high school courses.

COURSE CATALOG

We encourage you to carefully review the [Green Valley High School Course Catalog](#) with your parents for a detailed description of all courses available, including graduation requirements, academic pathways, and elective options.

CORE CLASS PLACEMENTS

The traditional freshman schedule includes English, math, science, physical education, and freshman studies. Honors class placements are automatically assigned using criteria set by MAP, CRT, or PSAT scores. Students and parents are welcome to speak to a school counselor with questions or adjustments regarding your core class placement.

ELECTIVES

Green Valley High School has eight class periods, which leaves three class periods open for electives in the traditional freshman schedule. We strongly encourage you to choose electives that interest you and align with your goals. Please list six elective options on the form below in the event that your first choices are unavailable.

ELECTIVES (continued)

You may resubmit this form if you change your mind on your electives, and counselors will build your schedule based on your most recent submission. **Final submissions are due March 6, 2026.**

Also note that once the school year begins, elective changes will not be permitted.

CAMPUS TOURS & COUNSELOR ASSIGNMENTS

Green Valley will host a campus opening the week before classes begin. Details will be posted on our [website](#) and sent via email at the beginning of August. Students and families will have the opportunity to tour the campus, ask questions, and make last-minute schedule adjustments if needed.

Counselors are assigned to students based on students' last names and are subject to change based on student enrollment. [Please click here to view current counselor assignments.](#)

We are excited to welcome you to our school community and look forward to supporting you throughout your high school journey.

We look forward to meeting you soon!

Sincerely,

Your GVHS Counselors
