WHO

WE

ARE

With openhouse , Wet n' Wild, dances, fund-raisers, intramurals, field trips, drama activities and clubs it's amazing how Greenspun students were still on the go during the 1992-93 school year. What's even more amazing is that zillions of new challenges had to be met everyday. Yet, with new challenges came new friends, more confidence, and a feeling of success. So enjoy this "Sea of Memories."

WHAT SYMBOLIZES GREENSPUN

School Motto

GREENSPUN: WHERE STUDENTS LEARN TO
SUCCEED AND SUCCEED TO LEARN

School Emblem

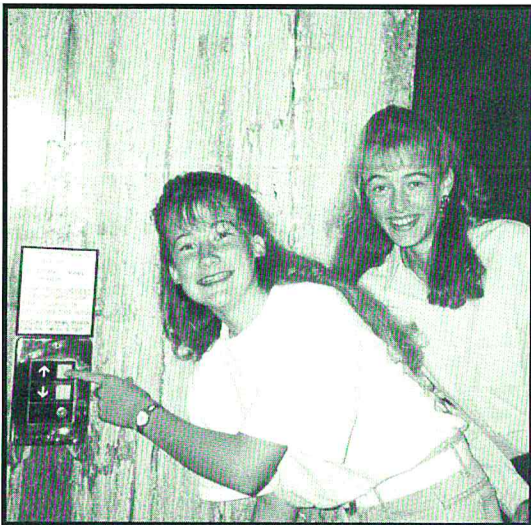

School Song

We're the school where hope and pride live throughout our halls;
Our great spirit shines above Greenspun Junior High.
Friendship and true loyalty still go hand in hand;
With our dolphin spirit, we love Greenspun till the end.

Greenspun Generosity

This year, Greenspun received a 5 foot 1 inch likeness of its mascot, the dolphin, from the Greenspun family. The dolphin was commissioned by Barbara Greenspun, and sculpted by Wyland, a renowned wild-life artist. It is permanently displayed, for all who enter Greenspun, just inside the front entrance.

Mr. Shoop always greets his classes with a hearty smile, NOT!

Jennifer Lee and Amber Dyer flash big, cheesy grins for the camera.

Aneesha Melwani struggles to meet her first deadline of the year.

Cooperation and teamwork were always stressed in Publications. Hugh, Lindsay, Katie, Anne, and Jennifer practice these skills.

The Publications staff proves they will do anything for a story.

Publications- not just a class. Even though it sounds corny, it's true. Publications is more than a class, it's a job. (Even though we don't get paid.) This class/job gives you experience: instead of just reading about something, you're doing it. From the first article of the Gazette to the last word of this yearbook, everything's been an obstacle that we've learned to overcome. Although a lot of the time we procrastinated (and procrastinated), we got the job done. We did pretty well if I do say so myself. We struggled with editorials, dealt with restrictions, interviewed countless people, and even though we sometimes felt like giving up, we stuck with it. Thanks for your support. Good luck next year!

Hugh and Katie are swept off their feet by the rest of the Publications staff.
