Remember Us This Way...

School Song:

We're the school where hope and
pride live throughout our halls; our
great spirt shines above Greenspun
Junior High. Friendship and true
loyalty still go hand in hand; with the
dolphin spirt we love Greenspun 'till

Greenspun:

Where students
learn to succeed
and succeed to learn.

Remember us this way. The class
of 1997-1998 will always be
remembered in their own special
way. Not only will we be
remember at this school, but we
will remember each other.
Friendships lasts a life time.

By: Lindsey Morris

This year has been one of the greatest, but it must all come to an end. We will miss the fashions, crushes, and dances, but the one thing we will miss the most will be our friends. There are all types of friends in the world. Some will go to the end of the earth for you others won't go to the end of the block. The best friends to have are ones that let you be yourself and also challenge you to grow as a person. You know that sometimes friends will let you down or disappoint you, and you may do the same, but over the long haul, you're there to support each other. Continue to follow your intuition and your feelings. When you have friends who make you feel safe, comfortable, and loved, you have friends with staying power.

By: Anne Marie Arpaio

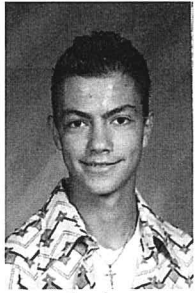

Editor

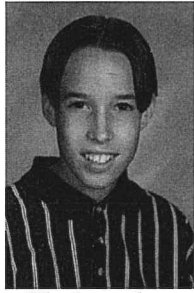

As eight-graders, we cannot believe this year is over. It went by so fast, maybe it's because we're in eighth grade or maybe it's because so much has happened this year. I didn't realize how much could change in such a short period of time. There have been some hard times where we had to deal with a lot. We've learned so much and have grown in so many ways, academically, socially, and emotionally. The great times have been many and memorable. School spirit skyrocketed during game season. Many friends were made and so much learned in the classroom. Friendships have come and gone with those who have moved either emotionally or geographically. Twenty years from now your yearbook will remind you of sweet memories as you, "Remember Us This Way."
